

About Uttarakhand Open University

Uttarakhand Open University was established in 2005 to promote education through open and distance learning system with the introduction of flexible and innovative methods of education to ensure 'independent learning' to anyone, anytime and anywhere. The programmes of Uttarakhand Open University provide opportunities to the disadvantaged sections of society. Uttarakhand Open University's study programmes are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of University, due care has been taken to keep the cost of education low so that economically weaker sections can also take advantage of University's programmes through ODL mode. Keeping this goal in view, the Uttarakhand Open University has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study materials and introduction of tools of Information Technology. It has been contributing to the development and training of qualified human capital for the state. It has also signed Memorandums of Understanding with several leading research institutions, companies and professional bodies for the benefit of the students.

About Rehabilitation Council of India

The Rehabilitation Council of India (RCI) was set up as a registered society in 1986. On September, 1992 the RCI Act was enacted by Parliament and it became a Statutory Body on 22 June 1993. The Act was amended by Parliament in 2000 to make it more broadbased. The mandate given to RCI is to regulate and monitor services given to persons with disability, to standardise syllabi and to maintain a Central Rehabilitation Register of all qualified professionals and personnel working in the field of Rehabilitation and Special Education. The Act also prescribes punitive action against unqualified persons delivering services to persons with disability.

Objectives of Workshop-

- (1) To build the capacity of participants on operational research methods and design and on preparing proposals for research grants;
- (2) To update participants on various research grant opportunities and potential funding sources; and
- (3) To strengthen collaboration between academic/research institutions and RCI's approved Institutions in conducting operational research.
