

MPDD DEPARTMENT

ICT Services

UTTARAKHAND OPEN UNIVERSITY
HALDWANI, NAINITAL

MPDD Module Components :

Bar Code

The system is barcode based. Bar codes are generated for each book.

Purchase Order

Purchase orders are entered to the system.

Books Received

Receiving books as per the Purchase orders.

Books Issued

Books are issued to the students by scanning bar codes.

Books Return

Students can return books (e.g. student wants to change the programme).

SMS

SMS integration with MPDD application to inform students for book issue, dispatch related information. BULK SMS service are also in use for sending SMS.

Reports

Reports for activities like Address of the Students, Balance of the books, Issued books to the student, Remaining Books of the Student, Purchase Order, Receive Order and Bar codes.

Student One View

Student One View is a single entry point for the student to check all details (Personal, Exam & Books related information).

Student view for the Book dispatch details

The background features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern and dynamic visual effect. The shapes are layered, with some appearing more prominent than others, and they extend towards the corners of the frame.

Thank You
