

HULIC DAIHATSU BWF PARA BADMINTON WORLD CHAMPIONSHIPS 2022
PHASE 2 QUALIFIERS LIST
1 September 2022

Classification

All players must have a 'Confirm' classification status or a 'Fixed Review Date' status that is after the end of the championships in November. There is no classification in Tokyo.

Qualifiers List - Green highlighted names

Member Associations / NPC / Para Badminton Organisations recognized by BWF are required to confirm acceptance of players/pairs by **Tuesday 13 August (11:59 PM Kuala Lumpur time) for Phase 2**. If the BWF does not receive any confirmation of acceptance by the stated deadline, we will consider the slots as being declined.

Qualifiers List - Red highlighted names

Players of these status have declined or are not eligible.

Players/pairs that are not highlighted with numbering under 'Qual. No' have accepted qualification slot in Phase 1. You are not required to re-confirm their slots.

All confirmations of qualification slots are to be sent to s.sabron@bwf.sport.

Note: Doubles & Mixed Doubles

As there are many players with multiple doubles and mixed doubles partners, Member Associations are advised to inform BWF if there are specific doubles or mixed doubles pairs that involve their players they will decline and/or approve upfront. This may speed up the process of allocation without going through many email confirmations. BWF must receive confirmation of acceptance of both countries if a doubles or mixed doubles pair are made up of two different countries.
