

Guidelines and list of supervisors for M.Sc. (Botany) dissertation work Uttarakhand Open University, Haldwani

During the course of study, all the learners (M.Sc. Botany IV Semester, July 2024) have to do a compulsory short term research and submit a dissertation for partial fulfillment of the requirement of the M. Sc. degree. University offers number of themes for M. Sc. dissertation from which a learner can select a research topic under the guidance of allotted supervisor. Different themes for M.Sc. research are proposed by the concerned departments which are as follows:

- Plant Biodiversity and Conservation
- Plant Ecology
- Ethnobotany and Medicinal Plants
- Plant Resource Utilization
- Economic Botany
- Plant Taxonomy
- Molecular Biology and Biotechnology
- Microbiology and Applied Botany

Procedure for allotment of supervisors:

Learners can contact the supervisors allotted by the University for the successful completion of dissertation work (list attached).

- **Topic selection criteria:** Topic should be related to assigned themes of the dissertation work.
- **Synopsis must contain:** Synopsis should be of 3-5 pages. The standard font should be Times New Roman of 12 pts with 1.5 line spacing. Synopsis must be signed by learner and supervisor(s).

After finalizing the topic the learners have to submit soft copy of synopsis, approved and duly signed by the supervisor to the mail id: dob@uou.ac.in *within 15 days after publishing the guidelines in the university website*

***Note:** *After completion of the dissertation work, learners have to submit the hard copy of dissertation (approved and duly signed by the supervisor) by post in favour of “Co-ordinator, Department of Botany, Uttarakhand Open University, behind Transport Nagar, Teenpani Bypass Road, Haldwani, 263 139, District Nainital” and soft copy of dissertation (approved and duly signed by the supervisor) should be sent to the mail id: dob@uou.ac.in on 31 March, 2025*

GUIDELINES FOR SYNOPSIS

Synopsis should be summary of the study with significant findings that emphasize the original contributions in the submitted dissertation. After choosing the topic of the dissertation (themes allotted by university), use the following standards and structure to submit the synopsis.

1. **Title of the Dissertation/Topic**
 2. **Introduction:** must include background of proposed study, statement of problem and objectives.
 3. **Review of literature:** Highlights of already published work on the given topic.
 4. **Materials and methods:** Explains methods, tools & technique, materials required, etc. for the study.
 5. **References:** Cited literatures

 - **Synopsis must contain:** Synopsis should be of 3-5 pages. The standard font should be Times New Roman of 12 pts with 1.5 line spacing.
 - After finalizing the topic the learners have to submit soft copy of synopsis, approved and duly signed by the supervisor to the mail id: dob@uou.ac.in

GUIDELINES FOR DISSERTATION

The dissertation should be presented in a number of chapters, starting with Introduction and ending with Summary and Conclusions. Each of the other chapters will have a precise title reflecting the contents of the chapter. A chapter can be subdivided into sections and sub-section so as to present the content discretely and with due emphasis.

Chapter 1: Introduction:

The title of Chapter 1 shall be Introduction. It shall justify and highlight the problem posed, define the topic and explain the aim and scope of the work presented in the dissertation. It may also highlight the significant contributions from the investigation.

Chapter 2: Review of Literature:

This shall normally form Chapter 2 and shall present a critical appraisal of the previous work published in the literature pertaining to the topic of the investigation.

Chapter 3: Material and Methods:

This chapter deals with a detail methodology by which used to collect/ synthesize the data.

Chapter 4: Results and Discussions:

This shall form the penultimate chapter of the dissertation and shall include a thorough evaluation of the investigation carried out and bring out the contributions from the study. The discussion shall logically lead to inferences and conclusions as well as scope for possible further future work.

Chapter 5: Summary and Conclusions:

This will be the final chapter of the dissertation. A brief report of the work carried out shall form the first part of the Chapter. Conclusions derived from the logical analysis presented in the results and discussions chapter shall be presented and clearly enumerated, each point stated separately. Scope for future work should be stated lucidly in the last part of the chapter.

Chapter 6: References/Bibliography:

The candidates shall follow the style of citation and style of listing in one of the standard journals in the subject area consistently throughout his/her dissertation (mentioned below). However, the names of all the authors along with their initials and the full title of the article/monogram/book etc. have to be given in addition to the journals/publishers, volume, number, pages(s) and year of publication. Citation from websites should include the names(s) of author(s) (including the initials), full title of the article, website reference and when last accessed. Reference to personal communications, similarly, shall include the author, title of the communication (if any) and date of receipt. The example is given below:
