Instructions for MLIS-105 ICT Practical Workshop (Hybrid Mode):

1. The ICT Practical Workshop for Library & Information Science (MLIS-105) will be conducted as a **10-day Hybridworkshop**, in accordance with the approved academic schedule.
2. **Attendance in the workshop is mandatory for all MLIS learners.** Learners must maintain a **minimum of 75% attendance** to be **eligible to appear in the Practical Examination**.
3. Attendance will be recorded **in every session**. **Absence from any session will be taken seriously** and may affect eligibility for the practical examination.
4. Learners are **strongly advised to bring their own laptop** (if available) with the **required ICT-related software and tools**, so that all practical activities can be carried out smoothly during the workshop.
5. Learners must **attend all sessions in person at the designated venue** and **follow the instructions of the faculty and resource persons** throughout the workshop.
6. **The Practical Examination will be conducted immediately after the completion of the workshop.**
7. In case of any queries or difficulties, learners may contact the Department at slis@uou.ac.in.
